MEMORANDUM OF ACADEMIC SCHOLARSHIPS

From

FUTURE UNIVERSITY for the benefit of The MAASAI TRIBE
Khartoum, Sudan Arusha Tanzania

Whereas the Future University fully recognize that capacity building in the area of information and communication technologies is an essential asset in the pursuit of economic sustainable development;

Whereas the leaders of the Maasai Community are determined to advance the cause of their people by means of fostering education in general and scientific and technological education in particular;

Whereas the Future University Sudan is the main higher education specialized in ICT in the Sudan, within a proven record of promoting capacities in the neighboring African Member States

The Future University Sudan has hereby decided to offer 10 full scholarships to qualified students from the Maasai Tribe (Tanzania). The fellowship will comprise free tuition, lodging and transportation to Khartoum.

The aforementioned scholarships would be distributed as follows:

- B.Sc. in Computer Sciences
- B.Sc. in Computer Engineering
- B.Sc. in Geographical Information System
- B.Sc. in Knowledge Management

The fellowship programme is valid for a period of three years unless otherwise agreed upon by the two parties
